

Rosanna

【 TOTO 】

All i wanna do when i wake up in the morning is see you eyes

Rosanna, rosanna

I never thought that a girl like you could ever care for me, rosanna

All i wanna do in the middle of the evening is hold you tight

Rosanna, rosanna

I didn't know you were looking for more than i could ever be

Chorus:

Not quite a year since she went away, rosanna yeah

Now she's gone and i have to say

Meet you all the way, meet you all the way, rosanna yeah

Meet you all the way, meet you all the way, rosanna yeah

I can see your face still shining through the window on the other side

Rosanna, rosanna

I didn't know that a girl like you could make me feel so sad, rosanna

All i wanna tell you is now you'll never ever have to compromise

Rosanna, rosanna

I never thought that losing you could ever hurt so bad

Chorus

(instrumental break)
