

# Separate Ways

【Journey】

Here we stand Worlds apart  
Hearts broken in two, two, two Sleepless nights Losing ground  
I'm reaching for you, you, you

Feelin' that it's gone Can't change your mind  
If we can't go on To survive the tide Love divides

Someday love will find you Break those chains that bind you  
One night will remind you How we touched  
And went our separate ways If he ever hurts you  
True love won't desert you You know I still love you  
Though we touched And went our separate ways

Trobled times Caught between confusions and pain, pain, pain  
Cistant eyes Promises we made were in vain In vain, vain

If you must go I wish you love You'll never walk alone  
Take care my love Miss you love

Someday love will find you Break those chains that bind you  
One night will remind you How we touched  
And went our separate ways If he ever hurts you

True love won't desert you You know I still love you  
Though we touched And went our separate ways

Ooooooooooooooh

Someday love will find you Break those chains that bind you  
One night will remind you If he ever hurts you  
True love won't desert you You know I still love you

I still love you, girl I really love you, girl  
And if he ever hurts you True love won't desert you

Noooooooooo Noooooooooo
